

SRF Activity

During May the Drinking Water Treatment Revolving Fund issued a binding commitment of \$7,400,000 to the City of Kenova to fund a construction project for a water treatment plant and distribution system upgrade. The Town of Wayne was given authority to advertise for construction bids on their water project. The staff has worked with other loan recipients to move their projects toward advertisement for bids, project construction, and commitment of funds.

West Virginia Rural Water Association Activities

The most recent contract with WVRWA began in November 2003 and the Association has performed duties as defined in that contract.
